Dr. R. R. Pachpande
[1947 - 2009]

"Education is the soul of our society"

VISION

To be a world centre of learning that excels in Management and IT education, research, training and consultancy.

MISSION

Our mission is to attain excellence in education so as to contribute to the socio-economic transitions in the nation at all levels by presenting unique pedagogical opportunities aimed at developing effective, committed and dedicated, socially responsible global managers & leaders who make valuable contributions to all levels of the corporate world & society.

Dr. Sandeep Pachpande

Chairman, ASM Group of Institutes

IITL from Stanford University, SELP from Harvard Business School
Executive Scholar Certificate from Kellogg, Ph.D from SPPU
MBA from Leads Beckett University, B.E Computer from SPPU

At Audyogik Shikshan Mandal (ASM), we are passionately committed to fostering excellence and advancing globally relevant education in India. Our international partnerships with esteemed institutions like Harvard Business School's HBX CORe, IBM, and SAP position us as leaders in integrating multinational, cutting-edge pedagogy, giving students exposure and experiences aligned with global standards. ASM's EDGE, our innovative educational approach, is a specialized program designed to ensure our students' employability. Through a holistic, advanced certification program, we impart contemporary management skills in collaboration with top global corporations and business schools.

ASM's faculty is dedicated to empowering each student, enhancing their capabilities, and motivating them to become future leaders. At ASM's IBMR, students gain insight from world-class guest faculty who share their expertise, and our teaching emphasizes the case study method and critical thinking. This unique approach cultivates creativity, critical and design thinking, and global perspectives to help students achieve their career aspirations. ASM's IBMR is recognized as a benchmark in management education, consistently achieving high rankings in leading business school surveys.

The ASM campus experience is vibrant and enriching, with learning extending far beyond the classroom. From day one, supportive peers and mentors will guide you, ensuring a smooth transition into the academic journey ahead. Throughout your course, you'll have opportunities to interact with brilliant academicians, industry leaders, and management experts from around the world. These exchanges will elevate your knowledge and foster innovative ideas, many of which could be transformative.

ASM is committed to the holistic growth of its students, embracing a balance of work and play. Your time here will be filled with lively on-campus and off-campus activities, cultural events, and celebrations.

At ASM, you'll gain a unique advantage—an experience that prepares you to excel and stand out in a competitive world. I warmly welcome you to ASM's IBMR, where your journey promises to be rewarding, enriching, and truly exceptional.

FROM THE FOUNDER SECRETARY'S DESK

Dr. (Mrs) Asha Pachpande
Director, Secretary

Audyogik Shikshan Mandal (ASM)

ASM's Institute of Business Management and Research (IBMR), Chinchwad, has been a leading institution for over four decades, dedicated to developing skilled, adaptive leaders for organizations in India and abroad. With a clear vision and mission, ASM's IBMR focuses on nurturing a new generation of managers prepared to meet the evolving challenges in the global business landscape.

Committed to holistic teaching and learning, ASM's IBMR integrates the latest in management education to ensure its students' employability. Since 1983, the institute has produced well-rounded, knowledgeable executives who bring value to industries worldwide. Many of our alumni hold influential positions in organizations across the globe, while others have ventured into successful entrepreneurship, contributing significantly to economic growth.

It is with great pleasure that I welcome our new batch of students to ASM's IBMR, where we are dedicated to quality education and comprehensive student development. Through ASM's EDGE pedagogy, led by skilled regular and visiting faculty and experts from global organizations, we guarantee that our students receive an education aligned with the demands of the professional world.

IBMR fosters the growth of high-caliber professionals by providing global exposure through Harvard Business School case studies, online courses, Harvard Business Publishing resources, and the distinctive ASM EDGE courses. We strive to create an environment that supports students' holistic development and academic success.

Welcome once again to ASM's IBMR, where you will discover the many facets that make this institute a truly transformative experience. Wishing you a journey of learning and success in all your endeavors as part of ASM's IBMR community.

ABOUT ASM

Established in 1983, the Audyogik Shikshan Mandal (ASM) Group of Institutes has been a prominent player in the field of education for 40+ years. Throughout this journey, ASM has consistently produced well-prepared professionals for the corporate world. Its legacy of excellence is reflected in its consistent ranking among the top B-Schools in India.

ASM's faculty is an exceptional mix of top industry experts and academic leaders. The faculty brings together seasoned academicians, industry practitioners, and mentors to offer a comprehensive learning experience. For over three decades, ASM has maintained strong industry-institute partnerships and collaborates with leading organizations to provide cutting-edge certifications that enhance employability.

With a vast alumni network of over 72,000 graduates in leading corporations, ASM enjoys strong alumni connections, contributing to robust placement opportunities and industry interaction.

ABOUT **IBMR**

ASM's IBMR stands as a pioneer in management education within Pimpri-Chinchwad, Asia's largest industrial hub. It proudly holds the distinction of being the first institute in Maharashtra to secure AICTE approval. Permanently affiliated with Savitribai Phule Pune University and recognized by the Ministry of HRD, Government of India, ASM's IBMR has a rich legacy.

For over 40 years, the institute has nurtured top-tier business executives and entrepreneurs who now occupy senior positions in leading organizations across India and globally. Situated strategically in the heart of the Pimpri-Chinchwad Industrial Township, the institute enjoys strong ties with surrounding industries, offering students unparalleled exposure through an excellent industry-institute interface.

ASM's EDGE program further enhances this advantage by offering cutting-edge certification in high-demand skills. This unique initiative, co-designed, co-developed, co-delivered, and certified by leading global organizations and top business schools, ensures a holistic and industry-relevant learning experience.

MASTER OF COMPUTER APPLICATIONS (MCA)

Two Years Full Time Course
Affiliated to Savitribai Phule Pune University, AICTE Approved

Course Intake: 180   DTE Code: 6973

PROGRAM OVERVIEW

The two-year full-time MCA program at Savitribai Phule Pune University (SPPU) is designed to impart a comprehensive understanding of computer applications and information technology.

The program's primary objectives include equipping students with technical competence in areas such as programming, algorithms, and software engineering. It aims to cultivate practical skills in software development, emphasizing system analysis, design, and database management. Additionally, the curriculum focuses on networking, internet technologies, and project management to prepare students for real-world scenarios.

The program encourages a research-oriented mindset, staying abreast of emerging technologies like AI and cloud computing. Soft skills, ethical conduct, and social responsibility are integral components, fostering well-rounded professionals ready for industry challenges.

Industry exposure through internships and projects, as well as an emphasis on communication skills, ensures graduates are prepared for successful careers or advanced studies in the dynamic field of computer applications.

ELIGIBILITY
Candidate should be an Indian National, appeared and Obtained non zero positive score in **MAH-MCA-CET** (Common Entrance Test).

For Open Category – Candidate should pass with minimum 50% marks in aggregate or equivalent CGPA and
any bachelor's degree with Maths at 10+2 level or higher level examination.

For Reserve Category – Candidate should pass with minimum 45% marks in aggregate or equivalent CGPA and any bachelor's degree with Maths at 10+2 level or higher level examination.

Students appearing for their final year graduation are also eligible to apply.

ADMISSION PROCEDURE
Admission to the course is centralized conducted by the Directorate of Technical Education (DTE). However, students may also apply for the institute level seats **(MAH-MCA-CET appeared).** Candidates applying to the institute directly will have to send their 10th, 12th, Graduation mark sheet, entrance exam score card, & photo ID proof either by email, by post or in person. Once the documents are verified, the students will have to appear for the personal interview. On being selected, the candidate may take admission within the stipulated date by paying the tuition fees and submitting the relevant documents in original.

ACADEMIC DESTINATION
WITH ALL ROUND EXPERIENCE

INDUCTION

ASM's IBMR MCA Department organizes an induction program for the fresh entrants of MCA. The objective of this program was to Assimilate the students into the new environment and get them acquainted with the institution's culture. The induction program is a mix of motivational speech talks, expert lectures, fun activities, team-building activities, and campus orientation sessions. The motive of this induction was to ensure a smooth transition for the students into the university system.

WORKSHOPS & EXPERIENTIAL LEARNING

Today, the market is very much challenging and we often come across the issue that the students are not up to the industry expectation. To bridge this gap and equip the students with the new-age technologies, seminars and workshops play an imperative role. ASM IBMR MCA ensures a proper flow of knowledge through the organization of seminars and Workshops, which assist students in interaction and active participation boosting the skills and expertise.

SEMINARS & GUEST LECTURES

Seminars are a great way to incorporate knowledge other than syllabus and make students aware of the trending and contemporary topics .Organisation of guest lectures and seminars is a regular process .Seminar helps to foster knowledge of the students thereby improving communication skills, gaining expert knowledge, renewing motivation and confidence.

TEAM BUILDING AND OUTDOOR ACTIVITIES

Team building is an effective tactic to cultivate a culture of trust collaboration, foster communication, improve performance and embrace diversity of the students. Outdoor or indoor team building activities shape the personality of the students and make them ready to face the challenges of working in teams in the real corporate world.
CLUB ACTIVITIES & CSR

Clubs are pertinent for amplifying the college experience. Having varied clubs in college can provide students the most rewarding experience and create lifetime memories in their literary journey. It allows you students to mingle with like-minded people, pursue various interests, build long-lasting connections with mentors and peers, and develop a strong skill set that can help you in your post-college career. "Rising Phoneix" is Club for MCA students .Club is involved in organising myriad celebrations,guest lectures,field visit etc.Club also engaged in creating Social awareness among the technical professionals.

INDUSTRY VISIT

The industrial visits are key for the student development. These visits provide students with an acquaintance to the real world and the hands-on experience of the working environment of the outside world. Industrial visits acclimatize students with a practical perspective of the concepts and theories that are taught in the classroom. It exposes students to the inputs and outputs for the various types of business processes and operations that are usually performed in the workplace.

EXPERIENTIAL LEARNING
MINDSCAPE
A CASE STUDY COMPETITION

A unique case study competition, which brings together faculty, industry professionals and students, where industry professionals compete against each other to resolve case studies.

INCON
International Conference on Ongoing
Research in Management and Information Technology.

An International Conference that provide student firsthand experience of the latest trends in business. INCON is an International Conference on Ongoing Research in Management and Information Technology. The academic partners for the event includes University of Pune, CETYS University (Mexico), City University of Seattle (USA), Indo European Education Foundation Center, Vistula University (Poland) and many others over the years.

LEARNING
T H R O U G H   F U N

Opportunities for learning, growing and achieving exist everywhere at ASM. Life at ASM is a blend of academics, extra-curricular and co-curricular activities. Strong student clubs and cell activities give students opportunity to pursue hobbies of their interest. In addition, activities such as cultural programs, student fests, festival, national celebrations and inter-college events make life at ASM truly colorful, enriching and enjoyable.

A FUTURE OF OPPORTUNITIES

The Placement Team takes the ownership of the students from day one of their session. The students undergo rigorous training during their two years with the institute that constitutes learning on all fronts like academic, industry skills, activity based, capstone projects, internships and many more. Emphasis is laid on presentation skills, communication, how to crack interviews and aptitude. Special sessions are conducted before each recruitment process to prepare the students. Not a day goes by during the placement season when the institute doesn't host companies for recruitment. Mentions in the newspaper about placing maximum students even during the strict phase of lockdown is a testament to the untiring efforts of the placement & academic team.

INTERNSHIP
& PLACEMENT

The Master of Computer Applications (MCA) is a popular technical course for students aspiring to build careers in computers, IT, and management. Internships and mini-projects are integral to the MCA program, offering students practical experience and valuable industry connections. At IBMR, we've taken the initiative to provide specialized technical training and internships in areas like Java Full Stack, AWS, Web Technology UI, and UNIX. Additionally, IBMR's MCA program has signed MoUs with Nirmaan and Anudip to facilitate internships and final placements, supporting students' career readiness and success.

STUDENT'S TESTIMONIALS

Akshada Dhamdhere

MCA at ASM IBMR has been a life changing experience.Faculties are very co-operative
And supportive.I have developed my technical skills and knowledge with overall change
in my personality.

Mayur Sahahji Karande

My two years at MCA are very enriching and joyful. The
college has good infrastructure with good technical facilities.
We are taught with the latest technologies and groomed with
soft skills as well.Being a member of Phoneix club got
opportunity to work for the society.

Gaurav Bari

Academically IBMR MCA is very strong with a good culture of learning and self development.The quality of teaching is very good. All the faculty members are experienced and support each and every student. College helps us to equip ourselves with the latest trends in technologies .

Vaishnavi Daware

MCA at ASM IBMR is best .With good self development .College organise on daily basis guest lectures,events and they have tie-ups for internships.

Bhushan Dongare

I am grateful to the college for making me industry ready through different training programmes and internships.I thank all my teachers for supporting and making me learn new technologies.

Tushar Tunge

I am proud to be a part of IBMR MCA family that gave me so many
Opportunity to learn & develop in IT. Kudos to all teachers for their efforts.

Tulsi Godse

I am thankful to the faculty members and staff for their endless
mentoring and support.

Prajakta Mokal

My overall experience with this college is very positive. Classes in my program are very
interesting .There is holistic development of mine.

Vaishnavi Lad

I am grateful to the college and my teachers who guided and mentored me throughout my journey.The disciplined environment fostered learning and developed my technical skills .Organization of training on technical courses widened my knowledge and made me ready for the industry

Ekata Sagar Bhujange

Its a pleasure and matter of pride to be part of ASM Family.My journey with the college gave me platform to represent myself .It helped me to grow self-confidence and over all personality.

Saurabh Girase

My overall experience with the institute in good.I am highly Thankful to my teachers for supporting and motivating me for gaining knowledge and skills.I feel that I am self driven and will have a great career ahead in my life

Akshada Lawand

I really recommend ASM IBMR for higher studies as college provide opportunity for self development with the help of good teachers ,conducive learning environment and organization of events. Good training and placement opportunities provided through job fair and various tie ups
